

WILLMORE THE WIZARD PRESENTS:

# THE MAGIC EXPLORER

There's a fascinating world waiting for you at your library!

Children are entertained, amused, and drawn into *creative thought* with this imaginative Reading Program. They'll visit exotic places, meet famous people, and explore the magic found in all books. Best of all, they'll discover their own *individual creativity* as they learn about the *treasures hidden* in their library.

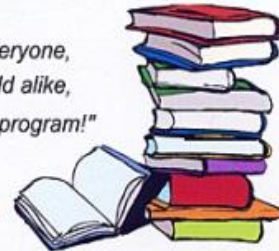

For ages 5-12, and great fun for the whole family!

"Outstanding! Everyone, both young and old alike, raved about your program!"

— Jane Knight,  
Children's Librarian  
Rockport Public Library

"Parents and kids alike loved everything you did ... especially the way you incorporate books, libraries and reading into your performance. You are the ultimate library performance artist!"

— Karen Nee, Children's Librarian  
Abbot Public Library, Marblehead
